Testimonials:

I'd like to express my gratitude to the Sea and Beyond team for their outstanding assistance with my international admission. They guided me through every step of my application and interview, and with their guidance, I was accepted into the MSc program. I am grateful for their support and cooperation. Capt. Gaurav Rana provided me with sound advice for furthering my career ashore, which broadened my horizons. I would recommend this forum to any seafarer, regardless of nationality, for exceptional support, quick response, and career advancement advice.

Amir Husain

I am a non-mariner and always wanted to get into shipping courses. I wasn't aware how could I get and the process to follow. Through proper mentoring, I got to know about Kedge Business School and got into it with FULL LOAN granted with help of S&B. I really like to give thanks to the Sea and Beyond for their meritorious guidance. Special thanks to Education counsellors at S&B who have guided me to each, and every possible way and they have acquainted me the new way to my career with an esteemed institution. Sea and beyond deliver the enormous aisle to their candidates for the career growth. I wish for company will have great success in future.
