- This program content includes field trips, industry speakers, and a strong practical and problem-solving element, delivered by staff recognized for cutting-edge research and translating industry best practices.

- For food, clothing, healthcare, transportation, and virtually every facet of modern life, we depend upon a supply chain. This program aims to empower students with an in-depth understanding of logistics and supply chain management by enhancing their knowledge of its importance and role as a source of competitive advantage.

# Location and Advantage:-

## HULL– UNITED KINGDOM

We're proud of where we've come from. Hull's been home to many trailblazers, mavericks and free thinkers throughout its history.

Hull-born MP William Wilberforce devoted his life's work to abolishing slavery in Britain. Today, our Wilberforce Institute carries on his crusade, tackling issues around modern-day slavery.

Pioneering pilot Amy Johnson set flying records throughout the 1930s, becoming a symbol of female empowerment and a Hull heroine. And of course, the poet Philip Larkin was our University Librarian for 30 years.

# Alumni Network

**Connecting with your global community of over 265000 alumni**

- Benefits of course
- Rankings and reputation
- The city of Southampton
- Career opportunities
- Student services and scholarships
