

Cyprus International Institute of Management

Limassol -Cyprus

Introduction:-

CIIM – The Cyprus International Institute of Management is an international business school established in 1990 by a group of business leaders and a team of prominent academics representing some of the world’s top business schools. Our aim has been to draw on the best teachers in graduate management education irrespective of location and make their talent and experience available in Cyprus.

To accomplish its mission, CIIM has pioneered the modular educational model. This gives our programmes exceptional flexibility, enabling students to focus on a specific subject within short yet intensive time periods. This grants a freedom of choice that is particularly suited to the needs of the working student.
